

Private GP Services

Rapid Access to Expert Care

Welcome to London City Healthcare

London City Healthcare provides rapid access to highly experienced Private Doctors, Physiotherapists and specialist health services in the heart of the City of London.

Our team of Private Doctors are all highly qualified and experienced City GP's, giving you access to an expert opinion whenever you need independent, professional advice.

As well as the highest standards of medical care, we pride ourselves on delivering continuity of care and a highly personalised service.

We're proud to provide access to Female Health specialists, all of whom have additional post-graduate qualifications.

We also pride ourselves on delivering same day/next day availability across all our services.

Our GP service provides:

- Medical advice about symptoms, diagnosis & treatment
- Prescription and pharmacy services
- Travel & vaccination services
- Sexual & reproductive health
- Full pathology service
- A comprehensive range of health assessments

Our Doctors

Dr. Shabana Chaudhari MBBS MRCGP DFFP DipDERM DOccMed

Dr. Shabana Chaudhari is an expert Private Doctor with over twenty years' clinical experience., including nearly ten years with Blossoms Healthcare. Following several years as a specialist hospital doctor, as well as having held a number of teaching positions, Shabana obtained her MRCGP (specialist GP Registration) in 2002.

With post-graduate qualifications in Female and Family Health, Dermatology and Occupational Medicine, Shabana is able to diagnose, treat and manage the most challenging of conditions. Noted for her empathy and understanding, Shabana is rightly one of the most popular Private Doctors in London.

Dr. Amun Kalia MRCGP MbChB BSc (Hons) ECPC Dip OH

Dr. Amun Kalia is a highly academic yet personable and charming Doctor, with a wide range of experience in Family Medicine and Occupational Health. With two medical degrees and having been widely published in international journals, Dr. Kalia practices from our City clinic. Having spent two years with Blossoms Healthcare he is also a GP Partner in an NHS practice in South West London.

Dr. Kalia believes in providing a highly personalised approach to medicine, tailored specifically to the needs of each patient and with continuity of care at the heart of everything he does.

Dr. Sidra Malik BMBS MRCGP DRCOG DFSRH

Dr. Sidra Malik is an expert Private Doctor who qualified in 2008 and completed specialist GP training in 2013. Since then, Dr. Malik has practised across medical and surgical disciplines, giving her invaluable experience to share with patients in areas such as urology, orthopaedics, emergency medicine, respiratory medicine and psychiatry.

With additional specialist qualifications in both Women's Health and Sexual Health/Family Planning, Dr Malik is one of the most experienced and capable GP's in her cohort. Noted for her professionalism and sincerity and with years' of experience with Blossoms Healthcare, Dr. Malik is a highly respected doctor.

Dr. Vidya Kanthi BSc MBBS nMRCGP DFSRH DRCOG DCH PGDDiabetes

Dr. Vidya Kanthi qualified at UCL in 2007 and entered the Specialist GP Register in 2012, subsequently joining the Hertfordshire Performer's List in 2016 and becoming a GP Partner in 2018. Dr. Kanthi is a Clinical Diabetes Lead in her CCG and is also a Project Lead for Herts Valleys Integrated Diabetes Service.

In her role as an NHS GP Appraiser, Vidya is responsible for assessing the quality of care provided by a myriad of GP's across the South East. Dr. Kanthi is also an Educational Supervisor for the National Physician Associate training programme.
